New/Renewal Application For Junior Membership

As part of junior registration, it is important that this document is completed and signed by a guardian or parent of the angler in question. This will assist us in notifying parents and members of lake closures, club rules and competitions for the up and coming season. Junior anglers under the age of eighteen must be accompanied by an adult member on our fishery at all times. This form is required by clubs insurance company for each angler. All junior anglers must abide by rules of the club.
